A.P.N.:

**Avigation Easement
(March Air Reserve Base and March Inland Port)**

WHEREAS _____, hereinafter
Called the "Grantor", is/are the owner(s) in fee of that certain real property as described in Exhibit "A"
attached hereto and incorporated herein by this reference, located in the City of _____,
County of Riverside, State of California, hereinafter called "Grantor's Property" and

WHEREAS Grantor's property is located within the Air Installation Compatible Use Zone (AICUZ) for March
Air Reserve Base and the Airport Land Use Plan for March Inland Port, ("March Airfield"), in the City of
_____, State of California that is operated as a joint use airport facility for both military
operations and civilian uses (passenger and/or cargo air traffic), and within the airport influence area for
aircraft operating from said March Airfield; and

WHEREAS the Grantor has sought approval from the [City/County] of _____ for the
development of Grantor's property by the project above-referenced; and

WHEREAS the City/County of _____ has conditioned the approval of such project by requiring
the granting of an avigation easement to the March Inland Port Airport Authority over the property of the
Grantor; and

WHEREAS, Section 21652 of the Public Utilities Code authorizes the March Inland Port Airport Authority to
acquire an avigation easement in such airspace above the surface of property where necessary to permit
imposition upon such property of excessive noise, vibration, discomfort, inconvenience, interference with

use and enjoyment, and any consequent reduction in market value, due to the operation of aircraft to and from the March Airfield;

NOW, THEREFORE FOR VALUABLE CONSIDERATION, receipt of which is hereby acknowledged, Grantor does hereby grant to the MARCH INLAND PORT AIRPORT AUTHORITY, a California Airport Authority, its successors, assigns, lessees, sub lessees, licensees and invitees, (herein after referred to as "Grantee"), for the use and benefit of the public, including, but not limited to the United States Air Force, a perpetual easement and right of flight for the passage of aircraft, military and civilian, by whomsoever owned and operated in the airspace above the surface of the property of the Grantor as described in said Exhibit "A", together with the right to cause in said airspace such noise, sound or shock waves, vibrations, dust, smoke, light, odors, fumes, thermal waves, fuel particles, air quality changes, and any other related condition that may be inherent in the operation of aircraft, (hereinafter called "aircraft operation effects"). "Aircraft" is defined for the purposes of this instrument as any contrivance now known or hereinafter invented, used or designed for navigation of or flight in the air.

Grantor hereby acknowledges that March Airfield is an operating joint use airport facility subject to increases in the intensity of use and operation, including present and future aircraft operation effects, and Grantor hereby fully waives, remises and releases any right or cause of action which Grantor may now or in the future have against Grantee, its successors, assigns, lessees, sub lessees, licensees and invitees, due to such aircraft operation effects that may be caused by the operation of aircraft landing at or taking off from, or operating at or near the site of said March Airfield. Said waiver and release shall include, but not be limited to, claims known or unknown for damages for physical or emotional injuries, discomfort, inconvenience, property damage, interference with use and enjoyment of property, diminution of property values, nuisance or inverse condemnation or for injunctive or other extraordinary or equitable relief.

Grantor agrees not to construct or permit the construction or growth of any structure, tree or other object that obstructs or interferes with the use of rights herein granted or that creates interference with communication between any installation at March Airfield and aircraft, or to cause difficulty for pilots to distinguish between airport lights and other lights or impair visibility in the vicinity of March Airfield, or to otherwise endanger the landing, take-off, or maneuvering of aircraft on or at said March Airfield.

Grantor agrees that Grantee shall have the right to mark and light as obstructions to air navigation any such building, structure, tree or other object now upon, or that in the future may be placed upon Grantor's property, together with the right of ingress to, egress from and passage over and within Grantor's Property for the purpose of accomplishing such marking and lighting.

The foregoing grant of easement shall not be considered as otherwise prohibiting the use of Grantor's property for any lawful purpose below minimum flight altitudes for aircraft presently authorized or hereafter authorized by the appropriate federal or state authority, provided all applicable federal, state and local regulations pertaining to height restriction are adhered to.

March Inland Port Airport Authority
Avigation Easement

IT IS UNDERSTOOD AND AGREED that this easement and the rights and restrictions herein created shall run with the land and shall be binding upon the Grantor and the heirs, administrative, executors, successors, and assigns of Grantor.
