

Foreign Trade Zone's (FTZ) Seminar

Advantages & Opportunities

You are invited to join business and community leaders for the 'Foreign Trade Zone's: Advantages & Opportunities' discussion on Wednesday, February 1st, at the March Joint Powers Authority. FTZ expert Scott Taylor of Miller & Company from Kansas City, Missouri will be the guest speaker. Business and community leaders who have an interest in learning more about FTZs are invited to hear how FTZs can help businesses compete in global markets.

Scott Taylor is an attorney with Miller & Company, a law firm serving a diverse clientele in international trade, customs and FTZ law. Miller & Company has received global recognition for their involvement in the development of the U.S. FTZ program and has a broad client base in 50 states and Puerto Rico and in major trading centers throughout the world. Clients range from large multinational enterprises to corporations, partnerships, associations, governmental entities and individuals.

Topics to be discussed include:

- Overview of Foreign Trade Zone's Program
- Types of Zones and Companies in Zones
- Financial Savings Opportunities
- How to Activate a Zone with U.S. Customs
- Expedited Process for Manufacturing Approval
